

Seven Green Apples

Seven green apples
Sitting on the wall,
All of them knowing the consequences
Should they accidentally fall!

"Hang on tight" said the BRAEBURN,
"For heaven`s sake don`t tumble!
Fall off this wall and you`ll be
in deep custard,
At the bottom of somebody`s crumble!"

Then up spoke the WORCESTER PERMAIN,
Who was terribly, terribly proper!
"He`s right you know chaps, do hold on,
Don`t want you coming a cropper!"

"Oh GOLDEN you look DELICIOUS"
Murmured sexy old GRANNY SMITH!
"Can I be a tease and give you a squeeze
And then make some cider....please!?"

The PINK LADY blushed a little bit more
And whispered to the EGREMONT RUSSET!
"We`ll have to watch those two I think,
I`ve got a tingle down in me gusset!"

Then the COX`S ORANGE PIPPIN sighed
And said "I know it`s good to be free,
But I fear we`re destined for an apple pie
And I`d rather be back on the tree"!.
